

GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT

Application No. 16307 of National Child Research Center, pursuant to 11 DCMR 3108.1 and 3107.2 for a special exception under Section 205 to establish a child development center for 120 students ages 2 ½ to five years and 28 staff in the basement through third floor of an existing building, and a variance from the provisions of Section 2101 for off-street parking in an R-1-B District at premises 3209 Highland Place, N.W. (Square 2072, Lot 30 (855 & 866)].

HEARING DATE: January 21 and April 1, 1998

DECISION DATE: January 21, February 4 and May 6, 1998

SUMMARY ORDER UPON REHEARING

The application was amended at the public hearing to eliminate the variance from 11 DCMR 2101 for off-street parking. The applicant submitted into the record a letter dated November 12, 1997, from the State Historic Preservation Officer for the District of Columbia stating that the subject building is either a historic landmark in the D.C. Inventory of Historic Sites or is located within a historic district and contributes to the character of the historic district. The Board determined that a parking variance is not needed based on Subsection 2100.5 of the Zoning Regulations which exempts such historic structures from providing additional parking when the use is changed.

For the January 21, 1998 hearing, the Board provided notice of public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 3C and to owners of property within 200 feet of the site.

The site of this application is located within the jurisdiction of ANC 3C. ANC 3C, which is automatically a party to this application, submitted a written statement of issues and concerns in support of the application. However, on, February 3, 1998, ANC 3C submitted a letter dated January 27, 1998 protesting the inadequate public notice in the application and requested that a new public hearing be held after proper notice has been given. The ANC noted that the notices were received very late due to the holiday season and new hearing would allow for a full discussion about parking and child drop-off and pick-up.

The Board considered the request at its public meeting of February 4, 1998 and granted the rehearing. The new hearing was held on April 1, 1998.

For the April 1, 1998 hearing, the Board provided proper and timely notice of public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 3C and to owners of property within 200 feet of the site.

As directed by 11 DCMR 3324.2, the Board has required the applicant to satisfy the burden of proving the elements which are necessary to establish the case for a special exception pursuant to 11 DCMR 205. No person or entity appearing as a party to this case testified in opposition to the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board, the Board concludes that the applicant has met the burden of proof, pursuant to 11 DCMR 3108, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map. It is therefore **ORDERED** that this application be **GRANTED, SUBJECT** to the following **CONDITIONS**:

1. Approval shall be for **EIGHT (8) YEARS**.
2. The applicant shall prepare a pamphlet, separate from other school notices, which will define clearly the school's policies and regulations with regard to traffic and parking. The pamphlet will recognize specifically the interests and concerns of neighbors regarding school-related traffic and parking. The pamphlet will be distributed at the start of the school year and three additional times during the school year to parents and child care providers. In addition, the pamphlet will be given to families that change caregivers, and the applicant will further distribute the pamphlet at such other times to individual drivers if violations of the policy are noted by the monitors or neighbors.
3. The applicant shall clearly define the carpool waiting line on Highland Place and any carpool waiting line, and the location of its starting point shall be marked with a traffic cone placed in the street at each scheduled pick-up time to minimize blocking of traffic, particularly at the curve on Highland Place. In this instance, "carpool" refers to any automobile used to pick up one or more NCRC students.
4. Formation of the carpool waiting line shall not be permitted prior to 10 minutes before dismissal time.
5. Clearly identifiable NCRC staff using walkie-talkies (or other communication technology) shall monitor drop-off and pick-up points on Highland Place and Ordway Street with specific attention to ensuring that driveways and traffic is not blocked.
6. The applicant and ANC 3-C shall jointly request that the Department of Public Works mark no-parking areas at all the corners of Highland and 33rd Places with both signs and pavement markings to indicate clearly the limit of parking close to these corners. They will further request that parking adjacent to the school property along Ordway Street be limited to 15 minutes on school days between 7:00 a.m. and 8:30 a.m. with appropriated signage and pavement markings.

7. The applicant's staff shall warn violators of traffic regulations and shall request enforcement by the Metropolitan Police if violations persist.
8. The applicant shall not object to or in any way discourage any extension of residential permit parking on streets within the area of the school (except with regard to the actual frontage of NCRC on Highland Place and Ordway Street, N.W.).
9. The hours and days of operation shall be between 8:00 a.m. and 5:00 p.m., Monday through Friday.

Pursuant to 11 DCMR 3301.1, the Board has determined to waive the requirement of 11 DCMR 3331.3 that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is appropriate in this case.

DECISION DATE: February 4, 1998

VOTE: 4-0 (Susan Morgan Hinton and Sheila Cross Reid to **APPROVE** the request to **REHEAR** the application; Betty King and Maybelle Taylor Bennett to approve by absentee vote).

DECISION DATE: May 6, 1998

VOTE: 3-0 (Betty King and Sheila Cross Reid to grant; Herbert M. Franklin to grant by absentee vote).
